

TO: Mariah DeJolie, Benefits Coordinator

DATE: May 3, 2022

SUBJECT: Required Annual Notices for Group Health Plans

Group health plans are required under federal law to supply certain notices to eligible employees and plan participants. Many of these notices must be provided when distributing open enrollment materials. We are providing the attached 2022 Annual Notices as a courtesy to our clients to help fulfill your responsibility.

Generally, the applicable distribution rules (including ERISA and HIPAA) require that these notices be either hand delivered or sent via US mail unless your employees meet the DOL's electronic delivery requirements or you have a signed authorization from the recipient consenting to receive the notices electronically.

If you have questions about the information provided in these documents, please contact us at (928) 779-4107 or kat@fendleybenefits.com. Please note that these materials are intended to be educational and informational. The materials are not intended to provide legal advice. You are encouraged to consult your own legal advisor on employee benefits matters about compliance with your legal obligations.

TO: Employees Eligible for Group Health Benefits under the Page Unified School District Group Health Plans

DATE: July 1, 2022

SUBJECT: Required Annual Notices for Group Health Plans

*****Important Information – Action May Be Required*****

To make sure that you have all the information you need to make informed decisions for you and your family, the law requires Page Unified School District to provide you with notice of certain legal rights that you may have and legal obligations that apply to the Page Unified School District's Group Health Plan. These rights and obligations are described in more detail in the enclosed notices.

Contents

Women’s Health and Cancer Rights Act (WHCRA) Notice	Page 2
Newborns’ and Mother’s Health Protection Act (NMHPA) Notice	Page 2
Notice of HIPAA Privacy Practices	Page 2
Notice of HIPAA Special Enrollment Rights	Page 5
New Health Insurance Marketplace Coverage Options and Your Health Coverage	Page 7
Important Notice about Your Prescription Drug Coverage and Medicare	Page 9
Model General Notice of COBRA Continuation Coverage Rights	Page 11
Your Rights and Protections Against Surprise Medical Bills	Page 15

You should review these notices closely and keep them with other materials that you receive about benefits available under the Plan. If you have any questions about any of the legal rights and obligations described below or the Plan, you should write or call:

Mariah DeJolie, Benefits Coordinator
P.O. Box 1927 | Page, AZ 86040
(928) 608-4114 | mdejolie@pageud.org

The following notices are not intended to be a description of the benefits offered under the Plan. For more information about specific benefits, refer to the Summary Plan Descriptions for the Plan, which are available by contacting HR or in your employee benefit portal.

*If you (and/or your dependents) have Medicare or will become eligible for Medicare in the next 12 months, a Federal law gives you more choices about your prescription drug coverage. Please see **page 9** for more details.*

Women's Health and Cancer Rights Act (WHCRA) Notice

Enrollment Notice

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. Therefore, the following deductibles and coinsurance apply:

- Value Gold
- Classic Gold
- HDHP A

If you would like more information on WHCRA benefits, contact your plan administrator:

Mariah DeJolie
Benefits Coordinator
(928) 608-4114
mdejolie@pageud.org

Annual Notice

Do you know that your plan, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy, including lymphedema? Contact your plan administrator for more information.

Newborns' and Mother's Health Protection Act (NMHPA) Notice

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Notice of HIPAA Privacy Practices

This notice describes how medical information about you may be used and disclosed and how you can get access to this information. Please review it carefully.

This notice is intended to inform you of the privacy practices followed by the Page Unified School District Health Plan and the Plan's legal obligations regarding your protected health information under the Health Insurance Portability and Accountability Act of 1996 (HIPAA). The notice also explains the privacy rights you and your family members have as participants of the Plan. It is effective on 06/01/2022.

The Plan often needs access to your protected health information in order to provide payment for health services and perform plan administrative functions. We want to assure the plan participants covered under the Plan that we comply with federal privacy laws and respect your right to privacy. Page Unified School District requires all members of our workforce and third parties that are provided access to protected health information to comply with the privacy practices outlined below.

Protected Health Information

Your protected health information is protected by the HIPAA Privacy Rule. Generally, protected health information is information that identifies an individual created or received by a health care provider, health plan or an employer on behalf of a group health plan that relates to physical or mental health conditions, provision of health care, or payment for health care, whether past, present or future.

How We May Use Your Protected Health Information

Under the HIPAA Privacy Rule, we may use or disclose your protected health information for certain purposes without your permission. This section describes the ways we can use and disclose your protected health information.

Payment. We use or disclose your protected health information without your written authorization in order to determine eligibility for benefits, seek reimbursement from a third party, or coordinate benefits with another health plan under which you are covered. For example, a health care provider that provided treatment to you will provide us with your health information. We use that information in order to determine whether those services are eligible for payment under our group health plan.

Health Care Operations. We use and disclose your protected health information in order to perform plan administration functions such as quality assurance activities, resolution of internal grievances, and evaluating plan performance. For example, we review claims experience in order to understand participant utilization and to make plan design changes that are intended to control health care costs.

Treatment. Although the law allows use and disclosure of your protected health information for purposes of treatment, as a health plan we generally do not need to disclose your information for treatment purposes. Your physician or health care provider is required to provide you with an explanation of how they use and share your health information for purposes of treatment, payment, and health care operations.

As permitted or required by law. We may also use or disclose your protected health information without your written authorization for other reasons as permitted by law. We are permitted by law to share information, subject to certain requirements, in order to communicate information on health-related benefits or services that may be of interest to you, respond to a court order, or provide information to further public health activities (e.g., preventing the spread of disease) without your written authorization. We are also permitted to share protected health information during a corporate restructuring such as a

merger, sale, or acquisition. We will also disclose health information about you when required by law, for example, in order to prevent serious harm to you or others.

Pursuant to Your Authorization. When required by law, we will ask for your written authorization before using or disclosing your protected health information. If you choose to sign an authorization to disclose information, you can later revoke that authorization to prevent any future uses or disclosures.

To Business Associates. We may enter into contracts with entities known as Business Associates that provide services to or perform functions on behalf of the Plan. We may disclose protected health information to Business Associates once they have agreed in writing to safeguard the protected health information. For example, we may disclose your protected health information to a Business Associate to administer claims. Business Associates are also required by law to protect protected health information.

To the Plan Sponsor. We may disclose protected health information to certain employees of Page Unified School District for the purpose of administering the Plan. These employees will use or disclose the protected health information only as necessary to perform plan administration functions or as otherwise required by HIPAA, unless you have authorized additional disclosures. Your protected health information cannot be used for employment purposes without your specific authorization.

Your Rights

Right to Inspect and Copy. In most cases, you have the right to inspect and copy the protected health information we maintain about you. If you request copies, we will charge you a reasonable fee to cover the costs of copying, mailing, or other expenses associated with your request. Your request to inspect or review your health information must be submitted in writing to the person listed below. In some circumstances, we may deny your request to inspect and copy your health information. To the extent your information is held in an electronic health record, you may be able to receive the information in an electronic format.

Right to Amend. If you believe that information within your records is incorrect or if important information is missing, you have the right to request that we correct the existing information or add the missing information. Your request to amend your health information must be submitted in writing to the person listed below. In some circumstances, we may deny your request to amend your health information. If we deny your request, you may file a statement of disagreement with us for inclusion in any future disclosures of the disputed information.

Right to an Accounting of Disclosures. You have the right to receive an accounting of certain disclosures of your protected health information. The accounting will not include disclosures that were made (1) for purposes of treatment, payment or health care operations; (2) to you; (3) pursuant to your authorization; (4) to your friends or family in your presence or because of an emergency; (5) for national security purposes; or (6) incidental to otherwise permissible disclosures.

Your request for an accounting must be submitted in writing to the person listed below. You may request an accounting of disclosures made within the last six years. You may request one accounting free of charge within a 12-month period.

Right to Request Restrictions. You have the right to request that we not use or disclose information for treatment, payment, or other administrative purposes except when specifically authorized by you, when required by law, or in emergency circumstances. You also have the right to request that we limit the

protected health information that we disclose to someone involved in your care or the payment for your care, such as a family member or friend.

Your request for restrictions must be submitted in writing to the person listed below. We will consider your request, but in most cases are not legally obligated to agree to those restrictions. However, we will comply with any restriction request if the disclosure is to a health plan for purposes of payment or health care operations (not for treatment) and the protected health information pertains solely to a health care item or service that has been paid for out-of-pocket and in full.

Right to Request Confidential Communications. You have the right to receive confidential communications containing your health information. Your request for restrictions must be submitted in writing to the person listed below. We are required to accommodate reasonable requests. For example, you may ask that we contact you at your place of employment or send communications regarding treatment to an alternate address.

Right to be Notified of a Breach. You have the right to be notified in the event that we (or one of our Business Associates) discover a breach of your unsecured protected health information. Notice of any such breach will be made in accordance with federal requirements.

Right to Receive a Paper Copy of this Notice. If you have agreed to accept this notice electronically, you also have a right to obtain a paper copy of this notice from us upon request. To obtain a paper copy of this notice, please contact the person listed below.

Our Legal Responsibilities. We are required by law to protect the privacy of your protected health information, provide you with certain rights with respect to your protected health information, provide you with this notice about our privacy practices, and follow the information practices that are described in this notice.

We may change our policies at any time. In the event that we make a significant change in our policies, we will provide you with a revised copy of this notice. You can also request a copy of our notice at any time. For more information about our privacy practices, contact the person listed below.

If you have any questions or complaints, please contact:

Mariah DeJolie
Benefits Coordinator
(928) 608-4114
mdejolie@pageud.org

Complaints

If you are concerned that we have violated your privacy rights, or you disagree with a decision we made about access to your records, you may contact the person listed above. You also may send a written complaint to the U.S. Department of Health and Human Services — Office of Civil Rights. The person listed above can provide you with the appropriate address upon request or you may visit **www.hhs.gov/ocr** for further information. You will not be penalized or retaliated against for filing a complaint with the Office of Civil Rights or with us.

Notice of HIPAA Special Enrollment Rights

This notice is being provided to ensure that you understand your right to apply for group health insurance coverage. You should read this notice even if you plan to waive coverage at this time.

Loss of Other Coverage

If you are declining coverage for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Medicaid or CHIP

If you or your dependents lose eligibility for coverage under Medicaid or the Children's Health Insurance Program (CHIP) or become eligible for a premium assistance subsidy under Medicaid or CHIP, you may be able to enroll yourself and your dependents. You must request enrollment within 60 days of the loss of Medicaid or CHIP coverage or the determination of eligibility for a premium assistance subsidy.

To request special enrollment or obtain more information, please contact:

Mariah DeJolie
Benefits Coordinator
(928) 608-4114
mdejolie@pageud.org

New Health Insurance Marketplace Coverage Options and Your Health Coverage

General Information

Now that key parts of the health care law have taken effect, there is a new way to buy health insurance: The Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers “one-stop shopping” to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. For 2022, open enrollment for health insurance coverage through the Marketplace was from November 1, 2021 through December 15, 2021, for coverage starting January 1, 2022. For 2023, open enrollment for health insurance coverage through the Marketplace will be from November 1, 2022 through December 15, 2022, for coverage starting January 1, 2023.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.61% of your household income (for 2022), or if the coverage your employer provides does not meet the “minimum value” standard set by the Affordable Care Act, you may be eligible for a tax credit.*

If you work full-time and are eligible for coverage under your employer's health plan, the plan satisfies the minimum value standard, and the cost is intended to be affordable based on employee wages.

If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution – as well as your employee contribution to employer-offered coverage – is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your Summary Plan Description or contact your Human Resource department at (928) 608-4114.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its costs. Please visit **www.healthcare.gov** for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

*A health plan provides "minimum value" if the plan's share of the total allowed benefit costs covered by the plan is at least 60% of such costs.

CREDITABLE COVERAGE – Value Gold, Classic Gold, HDHP A

Important Notice about Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Page Unified School District and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan.

If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Page Unified School District has determined that the prescription drug coverage offered by the Page Unified School District's Group Health Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Page Unified School District coverage may be affected. If you do decide to join a Medicare drug plan and drop your current Page Unified School District coverage, be aware that you and your dependents will not be able to get this coverage back until the next open enrollment period.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current Page Unified School District coverage and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage.

For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the person listed below for further information. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Page Unified School District changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year you are eligible from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov.
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help.
- Call **1-800-MEDICARE** (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at **1-800-772-1213** (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. *If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).*

Model General Notice of COBRA Continuation Coverage Rights

Continuation Coverage Rights Under COBRA

Introduction

You're getting this notice in case, once enrolled, your coverage under a group health plan (the Plan) ends due to a qualifying life event (described later). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it.** When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

What is COBRA continuation coverage?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage may be required to pay for COBRA continuation coverage.

If you're an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you're the spouse of an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to Page Unified School District, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary. The retired employee's spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

When is COBRA continuation coverage available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee;
- Commencement of a proceeding in bankruptcy with respect to the employer; or
- The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. You must provide this notice to:

Mariah DeJolie
Benefits Coordinator
(928) 608-4114
mdejolie@pageud.org

How is COBRA continuation coverage provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second

qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

Disability extension of 18-month period of COBRA continuation coverage

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage. You must provide this notice to:

Mariah DeJolie
Benefits Coordinator
(928) 608-4114
mdejolie@pageud.org

Second qualifying event extension of 18-month period of continuation coverage

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

Are there other coverage options besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicare, Medicaid, Children's Health Insurance Program (CHIP), or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

Can I enroll in Medicare instead of COBRA continuation coverage after my group health plan coverage ends?

In general, if you don't enroll in Medicare Part A or B when you are first eligible because you are still employed, after the Medicare initial enrollment period, you have an 8-month special enrollment period* to sign up for Medicare Part A or B, beginning on the earlier of

- The month after your employment ends; or
- The month after group health plan coverage based on current employment ends.

*For more information on the 8-month special enrollment period visit:

www.medicare.gov/sign-up-change-plans/how-do-i-get-parts-a-b/part-a-part-b-sign-up-periods

If you don't enroll in Medicare and elect COBRA continuation coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect COBRA continuation coverage and later enroll in Medicare Part A or B before the COBRA continuation coverage ends, the Plan may terminate your continuation coverage. However, if Medicare Part A or B is effective on or before the date of the COBRA election, COBRA coverage may not be discontinued on account of Medicare entitlement, even if you enroll in the other part of Medicare after the date of the election of COBRA coverage.

If you are enrolled in both COBRA continuation coverage and Medicare, Medicare will generally pay first (primary payer) and COBRA continuation coverage will pay second. Certain plans may pay as if secondary to Medicare, even if you are not enrolled in Medicare.

For more information visit www.medicare.gov/medicare-and-you.

If you have questions

Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to the contact or contacts identified below. For more information about your rights under the Employee Retirement Income Security Act (ERISA), including COBRA, the Patient Protection and Affordable Care Act, and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit www.dol.gov/ebsa. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.) For more information about the Marketplace, visit www.healthcare.gov.

Keep your Plan informed of address changes

To protect your family's rights, let the Plan Administrator know about any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

Plan contact information

To obtain more information about the Plan and COBRA continuation coverage upon request, contact the following person:

Mariah DeJolie
Benefits Coordinator
(928) 608-4114
mdejolie@pageud.org

Your Rights and Protections Against Surprise Medical Bills

When you get emergency care or get treated by an out-of-network provider at an in-network hospital or ambulatory surgical center, you are protected from surprise billing or balance billing.

New Federal Legislation Effective 1/1/2022

Included in the Consolidated Appropriations Act 2021 were requirements for health plans to provide protections against Surprise Medical Bills. These protections apply to services received on or after 1/1/2022 and apply to both grandfathered and non-grandfathered group health plans, as well as grandmothers plans and traditional indemnity plans without a network.

What is “balance billing” (sometimes called “surprise billing”)?

When you see a doctor or other health care provider, you may owe certain out-of-pocket costs, such as a copayment, coinsurance, and/or a deductible. You may have other costs or have to pay the entire bill if you see a provider or visit a health care facility that isn't in your health plan's network.

“Out-of-network” describes providers and facilities that haven't signed a contract with your health plan. Out-of-network providers may be permitted to bill you for the difference between what your plan agreed to pay and the full amount charged for a service. This is called “**balance billing**.” This amount is likely more than in-network costs for the same service and might not count toward your annual out-of-pocket limit.

“Surprise billing” is an unexpected balance bill. This can happen when you can't control who is involved in your care—like when you have an emergency or when you schedule a visit at an in-network facility but are unexpectedly treated by an out-of-network provider.

You are protected from balance billing for:

Emergency Services

If you have an emergency medical condition and get emergency services from an out-of-network provider or facility, the most the provider or facility may bill you is your plan's in-network cost-sharing amount (such as copayments and coinsurance). You **can't** be balance billed for these emergency services. This includes services you may get after you're in stable condition, unless you give written consent and give up your protections not to be balanced billed for these post-stabilization services.

As of February 2021, the following 18 states had enacted comprehensive Balance Billing Protections: California, Colorado, Connecticut, Florida, Georgia, Illinois, Maine, Maryland, Michigan, New Hampshire, New Jersey, New Mexico, New York, Ohio, Oregon Texas, Virginia, Washington.

As of February 2021, the following 15 states had enacted limited Balance-Billing Protections: Arizona, Delaware, Indiana, Iowa, Massachusetts, Minnesota, Mississippi, Missouri, Nebraska, Nevada, North Carolina, Pennsylvania, Rhode Island, Vermont, West Virginia.

Generally, those state passed protections apply to fully insured medical plans governed by the specific state and not self-funded medical plans. Check the state insurance commissioner website for details on specific state laws.

If your state is not listed, check your state commissioner's website as states may adopt a surprising billing

mandate at any time.

Certain Services at an In-Network Hospital or Ambulatory Surgical Center

When you get services from an in-network hospital or ambulatory surgical center, certain providers there may be out-of-network. In these cases, the most those providers may bill you is your plan's in-network cost-sharing amount. This applies to emergency medicine, anesthesia, pathology, radiology, laboratory, neonatology, assistant surgeon, hospitalist, or intensivist services. These providers **can't** balance bill you and may **not** ask you to give up your protections not to be balance billed.

If you get other services at these in-network facilities, out-of-network providers **can't** balance bill you, unless you give written consent and give up your protections.

You're never required to give up your protections from balance billing. You also aren't required to get care out-of-network. You can choose a provider or facility in your plan's network.

When balance billing isn't allowed, you also have the following protections:

- You are only responsible for paying your share of the cost (like the copayments, coinsurance, and deductibles that you would pay if the provider or facility was in-network). Your health plan will pay out-of-network providers and facilities directly.
- Your health plan generally must:
 - Cover emergency services without requiring you to get approval for services in advance (prior authorization).
 - Cover emergency services by out-of-network providers.
 - Base what you owe the provider or facility (cost-sharing) on what it would pay an in network provider or facility and show that amount in your explanation of benefits.
 - Count any amount you pay for emergency services or out-of-network services toward your deductible and out-of-pocket limit.

If you believe you've been wrongly billed, you may contact the US Dept. of Health & Human Services at 1-877-696-6775 or your State Insurance Commissioner.
